

Curriculum Vitae

Joseph F. Connor, D.V.M., M.S.

PO Box 220

Carthage, IL

217-357-2811 – Fax 217-357-6665

connor@hogvet.com

Professional Experience:

- Veterinarian/President - Carthage Veterinary Service, Ltd. (1980 to present)
- Veterinarian/President – Professional Swine Management, LLC (2001-present)

Education:

Executive Veterinary Program – Certificate in Swine Health Management
University of Illinois

Masters of Science in Veterinary Medicine
University of Minnesota

Doctor of Veterinary Medicine
University of Illinois

Bachelor of Science in Veterinary Medicine
University of Illinois

Professional Licenses:

- Licensed to practice veterinary medicine in Illinois, Indiana, Iowa, Missouri, and Ohio
- Licensed to prescribe controlled substances in Illinois and by the U.S. Drug Enforcement Administration

Professional Organization Membership and Recognitions:

- Executive Veterinary Program, University of Illinois (2009)
- The National Hog Farmer Master's Award (2009)
- First Honorary Member of the Japanese Association of Swine
- Dr. Erwin Small Distinguished Alumni Award (2008)
- Allen D. Leman Science in Practice Award (2004)
- Former Representative, American Association of Swine Veterinarians on AVMA Environmental Committee (2001-2003)
- Swine Practitioner of the Year (1995)
- Howard Dunne Memorial Lecture Presenter (American Association of Swine Practitioners (1992)
- Past President (1988) American Association of Swine Practitioners
- Former Board Member (1982-1986) District V American Association of Swine Practitioners
- Former Representative, American Veterinary Medical Association National Board Examination Committee (1983-1986)

- Past President (1984) Mississippi Valley Veterinary Medical Association
- American Association of Swine Practitioners
- American Veterinary Medical Association
- Illinois Veterinary Medical Association
- Mississippi Valley Veterinary Medical
- AgriCapital (agriculture business evaluation)

Research Interests:

- The Feeding of Dry Distillers Grain with Solubles to Lactating Sows
- Evaluation of Standard Deviation Associated with Piglet Weaning Weights Between 18 and 21 Days of Age
- The Evaluation of Feeding Lactating Sows on Grams of Lysine Compared to Percent of Lysine in the Diet
- Evaluation of Fat Inclusion in Sow Lactation Diets Containing Dry Distillers Grain with Solubles
- The Effect of PG600 at Weaning on Sow Performance
- Suvaxyn[®] PCV2 One Dose Field Efficacy Comparison
- The Use of Crystalline Amino Acids in Lactating Primiparous Sow Diets
- Lysine Requirement of Lactating Primiparous Sows
- BASF Beta Carotene Trial
- BMD Efficacy for Clostridium Perfringens Type C
- Elimination of Pasteurella D, Bordetella, APP, and Mycoplasma in Early Weaned Pigs
- Elisa Assay for Detection of Antibodies against *Scarcoptes Scabiei* var. suis
- Evaluation of the Efficacy of Lincomix Soluble Powder, Lincomix Injectable and RespiSure In the Clinical and Serological Elimination of *Mycoplasma hyopneumoniae*
- Feeding Lactating Sows for Maximum Performance, Minimum Labor
- Feeder Design on Variability of Performance
- Feeder Design for Lactating Sows
- Field Dose Confirmation of Ceftiofur Crystalline Free Acid
- Haemophilus pleuropneumoniae Safety Studies
- Inclusion of BMD or BMD plus 3-Nitro in Swine Diets during Ileitis Vaccination
- Lincomycin Use for Elimination of Swine Dysentery
- Naxcel for Control of Colibacillosis
- Safety of PRV Marker Gold
- Salmonella Choleraesuis Vaccine Safety Studies
- Serology Response to PRV Marker
- Stafac for Control of Ileitis
- Tiamulin Use for Elimination of Swine Dysentery
- Use of Regumate to Control Cycling in Gilts

Peer Reviewed Publications:

- Joseph F. Connor; Developing a PRV Eradication Program for Your Clients. *Veterinary Medicine*, 1993.
- Joseph F. Connor; Elimination of PRV. *Food Animal Compendium*, 1992.

Educational Presentations and Programs

- Presenter to the 2010 CHM Alliance Meeting in Brisbane, Australia, sponsored by Pfizer Animal Health "Control of Respiratory Disease"

- Presenter to the 2010 CHM Alliance Meeting in Brisbane, Australia, sponsored by Pfizer Animal Health "Group Gestation Housing Systems in the US"
- Presenter to the 2010 employees of APL in Wagga Wagga, Australia, sponsored by Pfizer Animal Health "Control of Respiratory Disease"
- Presenter to the 2010 employees of APL in Wagga Wagga, Australia, sponsored by Pfizer Animal Health "Group Gestation Housing Systems in the US"
- Presenter to the 2010 employees of Top Group in Roseworthy, South Australia, sponsored by Pfizer Animal Health "Control of Respiratory Disease"
- Presenter to the 2010 employees of Top Group in Roseworthy, South Australia, sponsored by Pfizer Animal Health "Group Gestation Housing Systems in the US"
- Presenter to the 2010 Pfizer Animal Health PT Indotirta Suaka In Housing Training in Indonesia "Improving Farrowing Rate and Litter Size in Tropical Conditions with High Humidity"
- Presenter to the 2010 Pfizer Animal Health PT Indotirta Suaka In Housing Training in Indonesia "Managing PRDC for Improved Performance-Focus on PRRS, APP, and PCV2 (practical experiences in large farm)"
- Presenter to the 2010 Pfizer Animal Health PT Indotirta Suaka In Housing Training in Indonesia "Managing the Underprivileged Piglets-Maximizing Productivity"
- Presenter to the 2010 Pfizer Swine Symposium in Korea "Effective Farm Management Through Individual Pig Care"
- Presenter to the 2010 Pfizer Swine Symposium in Korea "Worldwide PRDC"
- Presenter to the 2010 American Association of Swine Veterinarians "Field Efficacy Comparison of Mixed Experimental PCV2/MH and Mixed Ingelvac® CircoFLEX-MycoFLEX™: Carthage Trial Update"
- Presenter to the 2010 Kansas State University Swine Profitability Conference "Right Sizing the U.S. Swine Industry – What I've Done with My Clients During Those Challenging Times"
- Presenter to the 2010 National Pork Industry Conference "Managing the Highly Prolific Female"
- Presenter to the 2010 National Pork Industry Conference "What's Happening in Each of Your Barns...What You Need to Know and Monitor"
- Presenter to the 2010 Pfizer Eastern US Swine Vet Education Meeting "Early Vaccination for Mycoplasma with RespiSure and RespiSure One Trial Results"
- Presenter to the 2010 Pfizer Eastern US Swine Vet Education Meeting "One Dose and Two Dose Circovirus Vaccination Trial Results"
- Presenter to the 2009 Allen D. Leman Swine Conference "Comparisons of ESF to Open Stall Systems in Large Sow Units"
- Presenter to the 2009 Alpharma Swine Health Symposium "Field Experiences with Using BMD® in Control of Clostridial Enteritis in Neonatal Pigs Including Economics of Heavier Weaning Weights"
- Presenter to the 2009 American Association of Swine Veterinarians "Learning from the Best"
- Presenter to the 2009 Asian Pig Veterinary Society "Biosecurity and Disease Control"

- Presenter to the 2009 Carthage Veterinary Service, Ltd. Nineteenth Annual Swine Production Conference "Armband Day for the Contract Finishers? Free Ride Due to Early Mycoplasma Vaccination strategies."
- Presenter to the 2009 Fort Dodge Animal Health Asia Pacific Wine Technical "Field Experience with PCV2 Vaccine"
- Presenter to the 2009 Kansas State University Swine Profitability Conference "What I'm Telling My Clients About Their Future in the Swine Industry"
- Presenter to the 2009 Pfizer Animal Health Enterprise Seminar "Mycoplasma Hypopneumoniae Vaccination Comparative Study"
- Presenter to the 2009 Sirrah Bios Meeting "Survey Results and Field Experiences with PRRS-RS Vaccine and Introduction of PRRVENT"
- Presenter to the 2009 Technical Symposium "APP"
- Presenter to the 2009 Technical Symposium "Benchmarking of Sow Productivity"
- Presenter to the 2009 Technical Symposium "Biosecurity Management"
- Presenter to the 2009 Technical Symposium "Excede and Draxxin Experiences in the U.S."
- Presenter to the 2009 Technical Symposium "Health Programs for Sows and Gilts in Face of Emerging Diseases"
- Presenter to the 2009 Technical Symposium "Ivomec"
- Presenter to the 2009 Technical Symposium "Managing Vaccination Programs in Herds"
- Presenter to the 2009 Technical Symposium "Sarcoptes Elimination"
- Presenter to the 2009 Technical Symposium "Uniformity Management"
- Presenter to the 2009 World Pork Exposition "Studies of PCV2 Vaccine for Piglets"
- Presenter to the 2008 American Association of Swine Veterinarians Advanced Techniques for Swine Veterinarians "Practitioner's Perspective: Sow farm flow dynamics"
- Presenter to the 2008 Carthage Veterinary Service, Ltd. Eighteenth Annual Swine Production Conference "Outlook: W-F in 2012"
- Presenter to the 2008 Consultants Forum "Using Population Data to Generate Profitable Outcomes"
- Presenter to the 2008 Eighth Summit VFC Joint Seminar "Biosecurity: Past, Present and Future"
- Presenter to the 2008 Fort Dodge Animal Health International Swine Production Update "Field Experiences with Suvaxyn® PCV2 One Dose in the USA"
- Presenter to the 2008 Fort Dodge Animal Health Research Update "Phase IV Comparative Vaccine Trial Review"
- Presenter to the 2008 Illinois Pork Expo "Disease Management for PRRS, PCV2, Mycoplasma - The Breakthroughs"
- Presenter to the 2008 PorkExpo & IV Forum Internacional de Suinocultur "Efficacy and Safety Studies of PCV2 Vaccine for Piglets"
- Presenter to the 2008 Seventy-third Japan Pig Veterinary Society Meeting "PCVAD and the Effect of Vaccination in the US"
- Presenter to the 2008 World Pork Exposition "Suvaxyn® PCV2 One Dose Field Efficacy Comparison Carthage Study I"
- Presenter to the 2007 Allen D. Leman Swine Conference "Synopsis of Tracks and Looking Ahead"

- Presenter to the 2007 American Association of Swine Veterinarians "Field efficacy of Suvaxyn® PCV2 One Dose in pigs"
- Presenter to the 2007 American Association of Swine Veterinarians "Mycoplasma vaccine strategies"
- Presenter to the 2007 Carthage Veterinary Service, Ltd. Seventeenth Annual Swine Production Conference "PCV2: Get Off the Highway to _ _ _ _"
- Presenter to the 2007 Carthage Veterinary Service, Ltd. Seventeenth Annual Swine Production Conference "Top Ten Road Rules"
- Presenter to the 2007 Intervet Swine Innovation Workshop "Health Programs for the Replacement Gilt and Sow in Face of Emerging Disease"
- Presenter to the 2007 National Pork Industry Conference "PCV-2"
- Presenter to the 2007 Pfizer Walking the Pens Workshop "Training Prioritization"
- Presenter to the 2007 US Swine Planning Meeting "Field Efficacy of PCV2 One Dose and the Boar Stud Study"
- Presenter to the 2007 World Pork Exposition "PCVAD Management Strategies"
- Presenter to the 2006 American Association of Swine Veterinarians "Economic Losses Associated with PMWS"
- Presenter to the 2006 Boehringer Ingelheim Roundtable "PCV-2 associated diseases and their impact on pig production"
- Presenter to the 2006 Carthage Veterinary Service, Ltd. Sixteenth Annual Swine Production Conference "Are you Using your Caddie for Better Piglet Survivability"
- Presenter to the 2006 Carthage Veterinary Service, Ltd. Sixteenth Annual Swine Production Conference "Play the Executive Course: Good Ideas from Around the World"
- Presenter to the 2006 Japanese Association of Swine Veterinarians "Large Pig Group Management"
- Presenter to the 2006 Japanese Association of Swine Veterinarians "U.S. Trends in Pig Production and Pork Industry"
- Presenter to the 2006 National Pork Industry Conference "Auto sort Technology – A Bright Future?"
- Presenter to the 2006 PCV Informational Meeting "Economic Impact and Field Experience with PCVAD"
- Presenter to the 2006 Intervet Swine Innovation Workshop "Reproduction and Welfare"
- Presenter to the 2006 Missouri Pork Producers Association "Preparing and Prospering Tomorrow through Sow Centers and Cooperative Finishing"
- Presenter to the 2006 PCV Training Workshop "Economic Impact and Field Experience with PCV"
- Presenter to the 2006 World Pork Exposition "Economic Impact and Field Experience with PCVAD"
- Presenter to the 2005 Allen D. Lemman Swine Conference "Biosecurity and Studs – Hanson Lecture"
- Presenter to the 2005 Allen D. Lemman Swine Conference "Circovirus Roundtable Discussion"
- Presenter to the 2005 Allen D. Lemman Swine Conference "Optimizing Gilt Reproduction and Development Roundtable"

- Presenter to the 2005 Allen D. Leman Swine Conference "Schering Plough Roundtable Discussion"
- Presenter to the 2005 American Association of Swine Veterinarians "Porcine Circovirus Type 2"
- Presenter to the 2005 Carthage Veterinary Service, Ltd. Fifteenth Annual Swine Production Conference "Make your Lay-ups and Achieve 5% Preweaning Mortality"
